

Miguel Almeida

Frontend Engineer - Product UI & Design Systems

Frontend engineer working across product UI, design systems, browser architecture, reliability, and experimental multimodal interfaces. I pair visual judgment with explicit state, lifecycle, and evidence boundaries.

Berlin, Germany | miguelalmeida1592@gmail.com | github.com/miguelalmeida0

Professional Diploma in UX Design | UX Design Institute | 2020-2021

Professional Experience

2026 â now Software Engineer

F24 ´ Berlin

- â€¢ Owning more of the design-system layer and shared frontend architecture.
- â€¢ Shipping product workflows with explicit loading, error, responsive, and recovery states.
- â€¢ Working across product, design, backend, and QA without exposing confidential implementation details.

2023 â 2025 Frontend Engineer ´ Frontend delivery lead

F24 ´ Berlin

- â€¢ Led frontend delivery for a product area from early wireframes through production implementation.
- â€¢ Coordinated product-UI work across design, product, backend, and QA.
- â€¢ Helped implement the company's first AI product during an internal F24 hackathon.

2022 â 2023 Frontend Engineer

F24 ´ Berlin

- â€¢ Built and maintained reusable UI in React and TypeScript.
- â€¢ Established steadier patterns for components, forms, and layout behavior.

2021 â 2022 Freelance Frontend Developer

Independent ´ Berlin

- â€¢ Delivered small websites and product UI explorations for clients.
- â€¢ Used freelance work to deepen frontend fundamentals and design fluency.

Selected Engineering Work

Camera Harness

Building an evidence boundary for live visual interfaces

Generation-owned async work • latest-frame replacement • bounded transient media

Atlas

Deterministic risk first. Model explanation second.

PostgreSQL RLS • request-scoped context • workspace â repository â ingestion-run scope

Ghostwriter

Treat authentication success as a database contract, not a UI event

Migration drift guard • session-family behavior • database consistency checks

Technical Focus

JavaScript • TypeScript • React • Svelte • Figma • Design systems • Accessibility • Tailwind CSS • Browser media AP

Education

2020 â 2021 Professional Diploma in UX Design • UX Design Institute • awarded 30 Aug 2021

2021 Full-Stack Web Development • CareerFoundry

Languages • Portuguese • Native • English • Fluent • German • Working
